

Ralph Eichler

Professor Ralph Eichler was appointed in May 2007 by the Federal Council of Switzerland (Bundesrat) president of the Swiss Federal Institute of Technology (ETH) Zurich.

Prof. Eichler studied physics at the ETH in Zurich before moving to Stanford University (US), as a postdoc. He returned to the ETH in 1982, becoming a professor of Physics, in 1989. He has also been Director of the Paul Scherrer Institute (PSI) from 2002 to 2008.

Born in Guildford, England, he is a Swiss national.
