

Prof. Wolfgang Kröger

Wolfgang Kröger was Ordinarius of Safety Technology at the ETH Zurich and director of the Laboratory for Safety Analysis until his retirement early 2011. He also headed research in nuclear energy and safety at the Paul Scherrer Institut (PSI), where he was also on the board of directors. From June 2011 to October 2014 he was executive director of the ETH Risk Center. Currently he is working as consultant and advisor to scientific institutions. Prof. Kröger studied mechanical engineering at the RWTH

Aachen, where he also obtained his doctorate and habilitation thesis. He is Founding Rector of IRGC.
